[www.wansteadflats.org.uk](http://www.wansteadflats.org.uk)

**Next meeting:  
Tuesday 2<sup>nd</sup> June 7.30pm**

Godwin School, Cranmer Rd, Forest Gate

**Be part of the consultation:**

**Have your say on the latest revised proposals  
about the cycle route and the Flats**

## **Paul Thomson**

Superintendent Epping Forest

will be at the meeting wants to hear your views.

He also wants to hear about any other concerns.

He would also be pleased to update on Harrow Road Changing Rooms Project, the Football and Newham Fireworks.

If you want to ask Paul a question it would be helpful for him if you could email it to us first (if possible).

**If you care about the Flats – Please do your bit to get the message around. Please pass this leaflet on to your friends and neighbours, take into the schools and shops.**

**This is a golden opportunity to make sure that Paul is aware of the level of support there is for the Flats and of the problems that local people are concerned about. Thanks.**
